Design Issue

June 2020 - Year XIV - [www.ifdm.design](http://www.ifdm.design)

“IT BECAME ONE OF MY GOALS, BECAUSE I WAS ALWAYS USED TO AN INTERIOR DESIGNING THAT WASN'T JUST AN INSTRUMENT OF THE DESIGN LIFE, THE INSTRUMENT OF REALIZING IDEAS, BUT AN INSTRUMENT OF THE CAPACITY TO DESIGN TO ENHANCE IDEAS IN THE REALITY. THAT'S WHY OUR BUSINESS HASN'T STOPPED BEING CONTINUOUSLY EVOLVING, TO BE ABLE TO KEEP USING THE MANUFACTURING METHOD, ONE OF THE STRENGTHS OF THE CITY, BELIEVING THAT THE PROSPECTS OF AN IDEAL IN THE CITY OF THE FUTURE WOULD BE IN THE CAPABILITY OF BEING ACHIEVED BY THE DESIGN, THE CAPACITY AND THE ENTREPRENEURIAL SPIRIT THAT CHARACTERIZES US.”

**SIGNATURE KITCHEN SUITE**

It's an iconic setting for dining, entertaining, and socializing. It's the heart of the home, the place where life is lived, where the day begins and ends, where the family comes together and where the world is shared. It's a space that is both functional and emotional, a place that is both practical and aspirational. It's a space that is both a stage and a sanctuary, a place where the most important moments of life are lived. It's a space that is both a reflection of the individual and a statement of the family. It's a space that is both a challenge and a reward, a place where the most beautiful memories are made. It's a space that is both a dream and a reality, a place where the most beautiful ideas are brought to life. It's a space that is both a source of inspiration and a place of comfort, a place where the most beautiful moments are lived. **EUROMOBIL**

Corso Monforte 30/3

Opening in June (through an event in streaming) for the first Italian flagship store of Euromobil. The concept, by the renowned studio of Matteo Thun & Antonio Rodriguez, develops around the space that has always been seen as the core of the home: the kitchen. Four large windows immediately catch the eye from the outside. Inside, the mood is warm and convivial: 2 levels of 300 square meters in all, presenting a selection of the brand's finest kitchens. Soon the facility will also become a dynamic place for cultural programming, meetings and cooking demonstrations.
